

Empowering Deafblind Individuals into Employment

Who We Are

Deafblind UK is a national charity supporting people with combined sight and hearing loss. We provide tailored support to help individuals build confidence, develop skills, and access opportunities that improve independence and quality of life, including our employability service, practical and emotional support, and help with technology

What We Offer

Our employability service provides personalised 1:1 support to help you move closer to employment. We can support you with:

CV building and development

Job applications and job search support

Interview preparation and practice

Confidence building and goal setting

Exploring suitable career options

Guidance on workplace adjustments and support

We can also liaise with your employer to help you manage workplace challenges, including guidance around Access to Work.

Who Can Join

You can access our support if you are:

- Aged **16+**
- Living with combined sight and hearing loss (deafblindness)
- Interested in building confidence, developing skills, or improving employment opportunities

Success Story

One of our participants recently secured a role after receiving support with their CV and interview preparation. With the right guidance and confidence, they were able to take the next step into employment.

“The service has been both reliable and compassionate, and I'm extremely grateful for the support Deafblind UK provides to people like me at such a challenging time.”
